EXPERIENCE

CP Build Enterprises

Salt Lake City, UT

Project Coordinator

April 2022-July 2025

- Built the first workflow and improved processes for the newly launched residential flooring division for CP Build
- Prioritized project timelines by ordering and managing all inventory with internal and external warehousing to reduce holding costs and dead stock
- Provided clear verbal and written communication to serve as the primary point of contact between builders, install teams, and the internal team to coordinate installation for each project
- Skilled in Excel operation to input work order data, change orders, and expenses for each project
- Maintained strong relationships with local flooring suppliers to foster continuing partnership

Vevano Home

Salt Lake City, UT

Design Consultant for Operations

July 2021-April 2022

- Processed all customer orders placed using Netsuite and Salesforce
- Maintained positive relationships with third-party processors and suppliers to support order fulfillment
- Responded to inbound customer service calls, emails, and live online chats to de-escalate and resolve any order disputes

Lowe's

West Bountiful, UT

Customer Service Associate

April 2020 – July 2021

- Actively listened to help customers determine the best products for their project needs in the indoor and outdoor lawn and garden departments
- Enhanced customer experience by maintaining professional product presentation with stocking, pricing, and display builds
- Developed extensive merchandise knowledge about major outdoor brands, warranties, and product operation to help educate customers

America First Credit Union

Bountiful, UT

Member Service Representative

June 2018 – January 2019

- Assisted members with financial transactions, including cash handling and loan payment processing
- Identified member needs and cross-sold appropriate financial products and services
- Practiced professional etiquette when resolving member concerns

ACTIVITIES

Utah Crew

Salt Lake City, UT

Assistant Coach

July 2021-April 2022

- Facilitated practice for youth programs when head coaches were unavailable
- Taught beginner weightlifting classes to ages 12-18.
- Developed indoor workout plans and conditioning protocols for junior varsity and varsity teams
- Assisted with regatta planning, equipment maintenance, and public outreach programs

Church of Jesus Christ of Latter-Day Saints Mission Service

Louisville, KY

Missionary

March 2019-April 2020

- Dedicated 13 months to full-time volunteer service, prior to COVID-19 shutdown
- Trained two new missionaries mission expectations, processes and routines
- Attended mission leadership meetings once a quarter where leadership skills were taught
- Taught and mentored individuals from diverse backgrounds
- Served in homeless shelters and a public food bank, providing food and other necessities to locals
- Tracked goals, progress, and outcomes in a high accountability environment
